um, 2 nottnegs, the whole to be fliely powdered in a mortar; aid 12 oz. of molasses. A tea spoonful of the above to be taken every night on going to bed. Should it operate too much on the bowels, a smaller quantity is to be taken.

of the agricultural and commercial, as well as both ways, the real Siman Pures? All these factors the military system of their country?—that they will facilitate the means of concentrating the army for suppressing insurrections, or repelling amy for suppressing insurrections, or repelling army for suppressing insurrections, or repelling invasion?-Invasion! who would invade America, with such means of concentrating an army of 3,000,000 of freemen!" That last expression of the writer's is very convincing; may his countrymen profit by it and let us alone.

Sudden Death.-The Bay State Democrat Judge of last evening announces the death, on Sun-day morning, of the Rev. David Damon, pastor of the Unitarian society at West Cambridge. He was engaged at Reading on Friday after-The Wool Season, says the Wheeling times, has commenced here in earnest; and there appears to be plenty of money on hand for the purchase of all there is in the country, and the stock as not small. There are eight to ten buyers to our knowledge, tall of a populary of the purchase of all there is in the country, and the stock as not small. There are eight to ten buyers to our knowledge, tall of Halifax in said District, deceased, and tall centers at West Combisions has while delivering an address at the consecration of a rural centerry at West Cambridge, he made the remark, that possibly he should be

eral desire to elevate to the first office in the gift of the people, and to place at the head of affairs, an elevated practical STATESMAN, who will look down with scorn upon the miserable jugglers and wire workers who have for some e past been shifting the scenes upon the public stage, for their own benefit, exclusive-ly. It is time that Patriotism should triumph over Party. It is time that HENRY CLAY should be hailed by his countrymen as their deliverer from political degradation .- Alexandria Gazette.

Hogs Wool .- At Cincinnati, they have Tuesday of last week. commenced the manufacture of a very near and useful article of floor and hearth cloth, from hogs bristles or hair. They are first softened by immersion for a given time in lard oil, and then spun and wove into cloth, with the different arrangements of natural colors the had in this Legislature. fancy dictates.

years old. Two boys about fourteen years old, started on a hunting excursion, and a third, aged eight, followed. The older ones commanded him back, and upon his relusing to obey, one of them deliberately aimed his gun at him and fired. The whole charge entered the breast of the small boy, causing his death in about half an hour. It is said that the lad who committed the act makes no denial or excuse whatever .- . American Protector .

Rare Chance.—The New Haven Palladium says that a new daily paper is about to be started in New York, to be edited exclusively by ladies. All ference editors, yet it's no use. You can't get along, actly 11 gumess of the principal steelf. I demand ladies, without constantly consulting the mails.

Problem 40th.

An usurer put out a certain som of money at 5l per cent. per annum, which in 16 years wanted extended the principal steelf. I demand ladies, without constantly consulting the mails.

PUBLIC LAUNDRY.

poor women of their labor as well as a public Laundry. For my part I believe in the adoption of WHIGS LOOK OUT.

We have lately been favored with a traveling Loco foco emissary from Montpelier. He made his appearance in town the past week. His object was undoubtedly to stir up the faithful in the Loco ranks and also one established, as that would induce a competition of labor-saving plans and implements: the adoption of labor-saving plans and implements: A HOUSEKERPER.

GREAT CONFLAGRATION.

THE CABINET.

The Madisonian announces officially that Jons June 28, 1843. know this, but party reins are so tightly NELSON, Esq. of Baltimore, has accepted the post drawn, that a sacrifice of Country will be of Attorney General of the United States; and rendered, rather than a sacrifice of Party.— that the Navy Department has been tendered to We hope the Whigs will be awake, broad Davio R, HESSHAW, of Massachus tts, who will

the attention of the people to the importance of electing men who are in favor of a Tariff.

We understand that the Temperance Celebration of Wardsboro, in said District, deceased, was of electing men who are in favor of a Tariff.

Through the Union the watch-word of the that crowds attended it from the neighboring Executor therein named. Whereupon it is towns. We hope to have a more particular account ordered that a hearing be had in the premises the attention of the people to the importance We understand that the Temperance Celebration Locos is "Repeal the Tariff."
